

AMERSHAM PHOTOGRAPHIC SOCIETY

65th ANNUAL EXHIBITION

25th – 27th August 2017

PRINT ENTRY RULES

The Annual Exhibition is an opportunity for the Society to show the best work of its members, from beginners to seasoned pros. It is not judged competitively and all members' work is welcome.

Any print is eligible if it has not been entered in a previous APS exhibition. Each member may submit up to four prints. A minimum of two prints will be entered, however, panelling limitations may mean not all prints are used.

Prints should measure exactly 50x40cm, including the mount, which should be off-white and meet the usual print requirements for competitions. A very few may be allowed outside this specification by special arrangement after consultation with the Print Secretary.

Prints, accompanied by this completed form, can be handed in before August 1st. Please see the APS website for venues and dates where prints can be handed in during July and August. Prints cannot be accepted after this date, as this is when the panels are prepared.

You **must** collect your prints at 5:00pm on Sunday from the exhibition hall or arrange for someone to collect them for you.

NOTES:

- **The external measurements of the mount plus print should measure exactly 50x40cm.**
- **The mount should be off-white**
- **Prints must be submitted in portfolio cases which are clearly labelled with your name.**
- **Prints may be submitted in protective plastic sleeves. However, these will be removed for hanging in the exhibition.**
- **Prints must have author's name and title on reverse.**
- **No names or titles on front.**
- **No Velcro. No sticky remains.**
- **Details on the entry form are used to produce the display labels – this includes your name, any distinctions, the print title and any spelling mistakes.**
- **Prints without a completed entry form will not be accepted.**
